and County Arboretum to the members of the
California Arboretum Foundation, Inc.
Arcadia, California

January 25, 1968

SKETCHING AND WATER COLOR CLASS

The California Arboretum Foundation, Inc. will again co-sponsor a sketching and water color class of botanical and other nature subjects with Mr. Gerry Patten as instructor.

The class is in session each Wednesday from 9:00 A.M. to 12 Noon from February 7th through April 24th, 1968.

Students are required to supply their own material. Some experience in drawing is desirable.

The fee for the 12-week course is \$20.00 for Foundation members and \$25.00 for Non-members.

Advanced registration is necessary, and will be on a first come, first served basis of returned registration and fee. Class size will be limited, so early registration is advisable. No refunds will be possible after the first session of the class. Make checks payable to the California Arboretum Foundation, Inc., 301 North Baldwin Avenue, Arcadia, California 91006.

GIFT SHOP

Do visit the Foundation Gift Shop in the Peacock Pavilion and see our new and interesting gift items. We also feature an excellent selection of horticultural books. The Gift Shop is open seven days a week from 9:00 A.M. to 5:00 P.M.

MEYBERG WATERFALL

The Manfred Meyberg Waterfall is now under construction and completion is scheduled for the near future.

Please call Foundation office - 447-8207 - for required advance registration.

FALL CLASSES FOR ADULTS AT THE ARBORETUM - No fee

HOME HORTICULTURE: Practical procedures of planting and caring for the home grounds designed for the gardening novice, including seasonal scheduling of operations and familiarization with the growing characteristics of shrubs and special plant groups.

September 16 - January 27 -- 7:00 - 10:00 P.M. - Monday
Instructor: Mark Anthony, Superintendent, Descanso Gardens, La Canada.

HOME LANDSCAPE DESIGN: Basic principles of landscape design, construction and problems to assist the beginner in the selection of suitable plant material for the best appearance of home grounds. Previous gardening experience helpful but not necessary.

September 16 - January 27 -- 7:00 - 10:00 P.M. - Monday
Instructor: Norman Isbell, Horticulture Instructor, Los Angeles City Schools and Landscape Consultant.

CALIFORNIA HISTORY: A survey of California's history and culture from the Indian days to the growth of the megalopolis. Agricultural, architectural, intellectual, political and social development. Illustrated with slides and films. Particular emphasis on the San Gabriel Valley.

September 17 - January 28 -- 7:00 - 10:00 P.M. - Tuesday
Instructor: Mrs. Patricia Warren, Historical Curator, Arboretum

PLANT IDENTIFICATION: Principles of plant classification and identification of approximately 200 trees, shrubs, herbaceous plants and weeds common to this area by classwork and field trips.

September 18 - January 29 -- 7:00 - 10:00 P.M. - Wednesday
Instructor: Dr. Leonid Enari, Senior Biologist, Arboretum.

LAWN CARE: Scientific lawn care presented in lay language covering methods and practices for the home gardener, with clinic periods to solve individual turf problems.

September 19 - January 30 -- 7:00 - 10:00 P.M. - Thursday
Instructor: Dr. H. Hamilton Williams, Turfgrass Specialist, Arboretum.

HOME GARDENING A: September 17 - January 28 -- 9:00 - 12 Noon - Tuesday

HOME GARDENING B: September 18 - January 29 -- 9:00 - 12 Noon - Wednesday

Morning workshops aimed at helping the individual with immediate indoor and outdoor garden problems and maintenance, with emphasis on planting, propagation, watering, fertilization, pruning and pest control. Beginning (A) and Advanced (B) levels for those with dissimilar gardening experience.
Instructor: Mrs. Lydia Birt Williams, Garden consultant and fuchsia specialist.

HORTICULTURAL BOTANY: An in-service education course for those employed in the horticultural industry, stressing basic principles of biology, chemistry, physics and physiology through team teaching and field trips on how plants grow as related to horticultural practice.

September 11 - January 29 -- 4:00 - 7:00 P.M. - Wednesday

Instructor: Dr. Duane Crummett, Chief, Education Division, Arboretum.
